

A1.10 Independence Conclusion Memo Template

Final documented conclusion by the Engagement Partner on independence eligibility for the engagement.

Independence Conclusion Memo

Client Name: Suntricity Renewables Ltd.

Period: 2024-2025

Based on the independence checks conducted:

- Independence questionnaires have been completed and reviewed.
- Financial Interest Declarations have been obtained from all engagement team members.
- Threats to independence have been identified and appropriately safeguarded.
- Non-audit services and related party relationships have been assessed for threats.
- Independence Confirmation Forms have been signed by the engagement team.

I conclude that the engagement team and the firm are **independent of the client and eligible to accept/continue this engagement in compliance with ISA 220 and relevant ethical requirements.**
